

CITY OF PORTSMOUTH

## UPDATE from the City Manager for Sunday, June 7, 2020

**Governor Sununu's "Stay At Home 2.0" order in place through June 15, 2020.**

**Number of COVID-19 deaths, to date, in the US 111,848, in NH 273.**

I imagine,

consequent to current events,

a

new paradigm

taking hold forever,

becoming the other "new normal",

reaching

even the farthest corners of the land,

an America

that is truly

home of the free and the brave,

eagles soaring above, everyone breathing below.
