PORTSMOUTH TRICK OR TREAT: SAT OCT 31, 3-6 pm. Follow NH Health guidelines to reduce the risk of COVID-19 while celebrating Halloween. <https://www.readynh.gov/documents/halloweencovid-19safety.pdf>

Halloween Guidelines:

The hours permitted for trick-or-treating will be Saturday, October 31 from 3 to 6 pm. The schedule for trick-or-treating in Portsmouth is subject to change, based on the COVID-19 infection rates being reported in late October.

The City Health Officer asks that families not travel town to town or invite friends or family from other towns to come to Portsmouth as that reduces the risk associated with mixing households in close groups. The City's Emergency Services team also reminds residents that gathering in groups, in indoor settings with reduced air flow, is highly discouraged due to the greater risk of COVID-19 transmission.

Residents are asked to follow this guidance compiled from advice issued by the State of New Hampshire, the Federal Centers for Disease Control and Prevention, and the New Hampshire Municipal Association:

- **Travel in family groups, only (not with members of other households).** Small children should be accompanied and supervised at all times.
- **Maintain at least a six-foot distance** between people not from the same household.
- Wear face coverings (standard Halloween masks are not sufficient as they typically do not cover the mouth).
- Bring a small bottle of **hand-sanitizer** with you and use it often.
- Residents who do not want to participate should leave their front house lights turned off or put a sign on the driveway or sidewalk. Trick or treaters should respect that notice.
- **No direct distribution of treats, please.** Children and those providing candy should maintain physical distance.
 - Distribution points should be cleaned regularly throughout the three hours of trick or treat.
 - Put treats in individual paper bags, or spread out on trays rather than using a communal bowl and place on a table on the front walk, porch or driveway.

Be creative! Candy slides or tubes? Who will have the best idea for distributing treats? **Got a clever trick-or-treat distancing/COVID risk-reducing plan? SeacoastOnline wants to hear about it!** Email Haldey Barndollar at hbarndollar@seacoastonline.com

But once a fire starts in your home there are only three things to do:

1. Get everyone out of the house.
2. Close the door behind you.
3. Call 9-1-1 from outside the building or from a neighbor's home.

Don't go back into a burning building, no matter what. If you think someone is trapped inside, tell the firefighters when they arrive.

MAPLEWOOD AVE. DOWNTOWN INTERSECTION CROSSING SIGNALS -- New Maplewood Ave downtown intersection pedestrian crossing signals are now working. Pedestrians and motorists downtown at the intersections of Maplewood Avenue and Deer Street, Hanover Street and Congress Street now experience new pedestrian-crossing patterns thanks to an upgrade in the traffic signals. Previously, all vehicle traffic stopped at the same time for pedestrian crossing in all directions. That cycle caused delays. The new timing gives pedestrians the WALK signal while the traffic moving parallel with them has the green signal. Turning traffic will be required to yield to pedestrians in the crosswalk. New signs posted at each intersection and electronic message boards will alert drivers to the need to yield to pedestrians when turning at intersections. **Make sure you press the button for the crosswalk you want. There are now two buttons.**

Drivers should expect minor delays. Parking restrictions will be in place at all times along the detour until the winter shutdown between mid-December and next April and will resume until the project is completed in June 2021. Governor Sununu has extended his Emergency Order until November 15, 2020. The State has also made changes to the COVID guidelines to minimize redundancy in each industry sector. **Those guidelines that applied to all industry sectors have been removed from separate sector pages and now live only in the Universal Guidelines (UG) pages.** In some cases (e.g. outdoor attractions, arts, music education, funerals,

and more) the sector pages have been eliminated entirely and you'll find a note at the end of the UG specific to those sectors. Click here for the details: <https://www.covidguidance.nh.gov/>
