REMINDER: No First Night® Portsmouth celebrations this year due to COVID-19.

NEW! PORTSMOUTH VACCINE FAQs from the Mayor's Blue Ribbon Committee on Health and City Health Department, [click here](https://www.cityofportsmouth.com/city-manager/vaccination-faqs).

Dear Portsmouth,

As we close the door on a year few of us wish to remember -- but one that will be impossible to forget -- we look to a year of new beginnings, together.

Two new COVID-19 vaccines are in distribution, and a third and fourth may receive FDA approval for emergency use in the coming weeks. For more on the vaccines and the phases for distribution in New Hampshire, [click here](#) for answers to Frequently Asked Questions, prepared with the guidance of the City Health Department.

And while we cannot gather tonight for the First Night® Portsmouth celebration for which we are famous, we do enter 2021 ready to face what comes.

PLEASE ENJOY THE HOLIDAY SAFELY SO 2021 CAN SHINE BRIGHTLY!

I wish you a New Year filled with joy and hope.

Karen Conard, City Manager
