CITY ISSUES CAFR AND PAFR FINANCIAL REPORTS FOR FY20 -- The Portsmouth community can now access the Comprehensive Annual Financial Report (CAFR) and the Popular Annual Financial Report (PAFR) for Fiscal Year 2020 (FY20) on the City of Portsmouth website. The CAFR is the City's official, audited "full financial disclosure" reporting on the financial health of the City. The PAFR, based on the CAFR, offers the community an engaging and easy-to-read summary report to help citizens better understand the City's audited financial statements. Both are prepared under the guidance of Director of Finance and Administration Judie Belanger. Visit the City's website to read and/or download the CAFR at <http://files.cityofportsmouth.com/finance/fy20/CAFR20.pdf> and the PAFR at <http://files.cityofportsmouth.com/finance/fy20/PAFR20.pdf>. The online versions of both the PAFR and CAFR are interactive and include easy-to-navigate bookmarks, a clickable table of contents and links to applicable external resources. The Finance Department has included a "How To" document (<http://files.cityofportsmouth.com/finance/fy20/PAFR20HowTo.pdf>) to help the public navigate the PAFR document's unique interactive features.

NH Small Business Development Center: PPP Re-Opening and New Guidance

Congress appropriated an additional \$284 billion for PPP under the Economic Aid Act. New borrowers and certain existing PPP borrowers can now apply for a First or Second Draw PPP Loan (deadline March 31, 2021). In order to be eligible to be for a second draw loan, businesses or self-employed individuals must have:

- Previously received a First Draw PPP Loan and have used or will use the full amount only for authorized uses;
- No more than 300 employees; and
- Had at least a 25% reduction in gross receipts on an annual or quarterly basis between 2019 and 2020.

The Program now covers 501(c)(6)'s such as housing cooperatives, destination marketing organizations.

The new Paycheck Protection Program (PPP) re-opened this week, first to community financial institutions. The SBA will continue to roll out access to the next round of PPP loans to additional lenders as it strives to implement the Economic Aid to Hard-Hit Small Businesses, Nonprofits, and Venues Act and to ensure increased access to the PPP for minority-, underserved-, veteran- and women-owned small business concerns. Second draw PPP loans will become available from additional lenders in the near future and SBA will be providing rolling updates in the next week. Information on updated PPP Lender forms, guidance, and resources are available at www.sba.gov/ppp. This includes guidance on prior PPP loan forgiveness updates.

The SBA anticipates that there will be enough PPP funds to meet nationwide demand and suggests that borrowers work with their existing financial institution.
