COVID-19 VACCINE ADMINISTRATION IN NEW HAMPSHIRE – As of January 21, NH had received 110,160 first doses of vaccine and had vaccinated 70,689 people. For the vaccine tracker, by state, click here: <https://www.nytimes.com/interactive/2020/us/covid-19-vaccine-doses.html>

AGE 65+ VACCINATION APPOINTMENT WEBSITE OPENS TOMORROW FRI JAN 22 at 8 am -- On Friday, January 22, the State of New Hampshire will begin accepting vaccination appointments for individuals within Phase 1B, which includes:

- NH residents age 65 and over
- NH residents who are medically vulnerable and at significant risk – including family caregivers for those under 16
- NH residents with developmental disabilities who receive services in a congregate residential setting, as well as staff in those settings
- Corrections officers and staff
- Populations who experience health disparities

Scheduling an appointment online at <https://vaccines.nh.gov> [not yet activated] is the fastest, most efficient way to do so and is highly encouraged. The website is designed to handle 100,000+ people at the same time.

For those unable to schedule an appointment online, the 211 Hotline remains available. That call center is staffed by 300+ people, but high wait times are expected.

Vaccinations for Phase 1B will begin on January 26. An estimated 300,000 individuals are eligible to receive a COVID-19 vaccination within Phase 1B of the state's distribution plan. Supply of COVID-19 vaccines delivered to the states has fallen short of the increases promised by the federal government. Limited supply of vaccines from the federal government means appointments may be booked weeks out. Everyone in Phase 1B who wants an appointment will get an appointment. If allocation should increase, appointments will be rescheduled to earlier dates and times. The State will continue to urge federal partners to make more doses available as quickly as possible.

But those 65+ who do not have Internet access and need assistance can call Brinn Sullivan [603-610-4433] at the Portsmouth Senior Activity Center. She can walk through the registration over the phone, to get you signed up. You MUST have an email address for receiving the appointment confirmation. Please note that the City is not setting up vaccination appointments. Brinn is simply available to help seniors over the telephone to register on the State website.

The first phase of borings was completed in the spring of 2020; and this work will complete the boring data collection. Work is scheduled to take place this week, through Friday, January 23, 8 am to 3:30 pm, weather permitting. The work areas include: Walker Bungalow Road at the Shaw Road intersection, and the section of Wentworth House Road from Sagamore Avenue to the Rye Town Line. The work will take place on one side of the road, leaving one lane for traffic; but some delays may be expected. TIP TIP #7 – Though a restaurant will make its money on takeout orders, the server who depends on in-house diners for their tips loses out on that money. Please consider tipping the server who hands you your takeout order, especially if they bring it to your car for curbside pick up.

RESTAURANTS OPEN AND CLOSED – The best source of information about restaurant dining hours and takeout is the restaurant itself. This Chamber Collaborative page is a good place to start, but be sure to call or check the restaurant website. <https://portsmouthcollaborative.org/list/category/restaurant-reopened-dining-on-site-994>

NH Small Business Development Center: PPP Re-Opening and New Guidance

Congress appropriated an additional \$284 billion for PPP under the Economic Aid Act. New borrowers and certain existing PPP borrowers can now apply for a First or Second Draw PPP Loan (deadline March 31, 2021). In order to be eligible to be for a second draw loan, businesses or self-employed individuals must have:

- Previously received a First Draw PPP Loan and have used or will use the full amount only for authorized uses;
- No more than 300 employees; and
- Had at least a 25% reduction in gross receipts on an annual or quarterly basis between 2019 and 2020.

The Program now covers 501(c)(6)'s such as housing cooperatives, destination marketing organizations.

The new Paycheck Protection Program (PPP) re-opened this week, first to community financial institutions. The SBA will continue to roll out access to the next round of PPP loans to additional lenders as it strives to implement the Economic Aid to Hard-Hit Small Businesses, Nonprofits, and Venues Act and to ensure increased access to the PPP for minority-, underserved-, veteran- and women-owned small business concerns. Second draw PPP loans will become available from additional lenders in the near future and SBA will be providing rolling updates in the next week. Information on updated PPP Lender forms, guidance, and resources are available at www.sba.gov/ppp. This includes guidance on prior PPP loan forgiveness updates.

The SBA anticipates that there will be enough PPP funds to meet nationwide demand and suggests that borrowers work with their existing financial institution.
