PROJECT COOLAIR FOR SENIORS – The hot, humid weather forecast for this weekend is a reminder for those 60+ and anyone whose health is adversely affected by the heat to be prepared before an emergency develops. Often, those in need of air conditioning “do without” because they do not have the funds or know where to seek assistance. Through Project CoolAir, Area HomeCare makes air conditioners available to low income, medically-challenged and 60+ residents in Rockingham County. Make arrangements now rather than waiting for a critical need to develop. For more information, contact Ellen Tully at City Hall: 610-7267 or WFDept@cityofportsmouth.com

*June 1, 2021 NH Drought Monitor
Abnormally Dry Area in Yellow*

WATER SUPPLY STATUS REPORT – VOLUNTARY WATER RESTRICTIONS REQUESTED -- The Seacoast is currently in Stage 1 of drought conditions with what the State has determined to be “abnormally dry conditions.” The current hot and dry weather is also increasing water supply demands. To continue to meet that demand, **the Water Department is asking City of Portsmouth and Pease International Tradeport water system customers to voluntarily conserve water.** If dry conditions persist, mandatory restrictions for non-essential water use, including odd/even watering schedules, may be required. The full report provides more detail. <https://tinyurl.com/5994zn6d>

NOW OPEN! SPINNAKER POINT Spinnaker Point Adult Fitness Center reopens on Monday, June 7 at 6am. All members and new members can register upon their first visit. The City closed Spinnaker Point a year ago as a precaution to protect against the spread of COVID-19. One of the concerns that needed to be addressed before reopening was an evaluation of the air circulation inside the facility. Since then, the City has made repairs that allow the air-handling system to function without the significant and unbudgeted investment that was originally anticipated to improve or replace it. Equipment in the fitness room will be positioned to allow for sufficient distancing and other protocols will be in place. **Hours for Spinnaker Point Adult Fitness Center are Mon-Fri, 6am-8pm; Sat-Sun, 7am-4pm.** Please call 603-766-1483 for more information.

FLEET STREET LANDSCAPING DESIGN INPUT NEEDED -- The City is seeking input from those in the Fleet Street Project Area <https://tinyurl.com/235pzjfw> regarding what they'd like to see for sidewalk and landscape improvements as part of the project. The City's contractors Underwood Engineers offered some examples of previous streetscape improvements at their May 6 meeting: <https://tinyurl.com/fr5pzubh>
 Among the considerations up for discussion:

- Pedestrian accommodations and seating
- Traffic patterns & calming
- Landscape & trees
- Bike accommodations
- Overhead utilities
- Parking
- Curbing realignments

Underwood invites residents to send comments by email (or during Fleet Street Project office hours -- in person at their 25 Vaughan Mall offices, or by video chat -- between now and June 25, 2021. To schedule an in-person or telephone appointment, or to send an email comment, please contact Kerrie Winsor (kwinsor@UnderwoodEngineers.com) or 603- 436-6192.

DAILY: PORTSMOUTH NAVAL SHIPYARD BLASTING OPERATIONS FOR DRY DOCK #1
 –Operations will be conducted during daylight hours Mon-Sat from June 3, 2021 until Feb 2022. The actual detonations will occur once or twice a day, most frequently in the late afternoon. In accordance with standard/industry construction practices, the contractor has incorporated a number of safety initiatives to ensure life, property, and the environment are not endangered.
