MEETING NOTICE

**PUBLIC COMMENT ON PENDING PANAM/CSX MERGER
REGARDING ISLINGTON CREEK NEIGHBORHOOD IMPACTS**

City Manager Karen Conard hosts a conversation with **PanAm Railways Executive VP Cynthia Scarano** to discuss the impact on the Islington Creek Neighborhood caused by idling PanAm trains in the railyard behind Foundry Garage.

Thursday, September 29 at 4:30 pm via Zoom

MEETING PURPOSE

The purpose of the meeting is to present the concerns of residents in the neighborhood who are being affected by fumes and noise from the idling PanAm trains, and to find accommodation. The City Manager recognizes that this is a recurring problem. Given the current comment period pending the merger of PanAm with CSX, the City is interested in presenting these negative environmental conditions to PanAm, and in seeking relief for residents.
