PROOF-OF-VACCINATIONS: What should you do if you discover your vaccination is not recorded properly in the NH DHHS database? Or if you need more than your vaccination card because some travel destinations require the full record? Contact NHIIS (NH Immunization Information System) at 603-271-4028, by email at nhiis.support@dhhs.nh.gov or click here for the NH DHHS website <https://tinyurl.com/rva3tphc> for the immunization information system (NHIIS). Once your record is corrected, you can request an official vaccine and immunization record. This record is the one that would be accepted when travelling if the vaccine card is not enough.
