Chambers and via Zoom.**

PORTSMOUTH NH 400, INC. REVEALS LOGO

The logo for the anniversary celebration that will be used to denote official events, projects, programs and merchandise was designed as a pro-bono donation by Darci Creative of Portsmouth, with input from the Portsmouth NH 400 Executive Team and Task Force Management Team. The logo incorporates the dates 1623-2023 and the words "Portsmouth NH" -- to differentiate the city from many other "Portsmouths" in the US and England. The contemporary typeface is presented in strong shades of blue, reflecting the ocean. The design element that immediately identifies the logo as Portsmouth NH is the silhouette of a lighthouse – Portsmouth Harbor Lighthouse, specifically – as Portsmouth is surrounded by three lighthouses that welcome residents returning home, and visitors from around the globe, to Portsmouth NH. The Portsmouth NH 400, Inc. Executive Team has also received confirmation of its incorporation from the NH Secretary of State. With Giving Tuesday coming up on November 30 – a day dedicated to making tax-deductible donations to non-profits as the tax year nears its end -- the Team reminds the community they can make tax-deductible donations directly through the City's secure online payment portal by clicking on the "Donate Now!" button at: <https://www.PortsmouthNH400.org>

CITY WELFARE OFFICE COLLECTING GIFT CARDS FOR OLDER KIDS -- Each year, the City Welfare Office collects donations of gift cards for families who have older kids who are not typically served by other holiday gift programs. Local agencies do a wonderful job here in Portsmouth, but teenagers are historically a difficult population to serve. Help close that gap by donating gift cards in small denominations for things like movie tickets, coffee houses, retailers like Old Navy, Gamestop, Kohl's or the Mall at Fox Run. Please contact Ellen Tully, 610-7267, etully@cityofportsmouth.com. Thank you!

PEIRCE ISLAND ROAD – WORK ON SEWER FORCE MAIN REPLACEMENT STARTS MON NOV 29

-- Construction and equipment on and adjacent to Peirce Island Road and on the Peirce Island Road Bridge will impede traffic, on an intermittent basis, on weekdays between 7 am and 6 pm, through June 2022. The project includes excavations from the bridge to the Peirce Island Waste Water Treatment Facility and work on the pipes suspended from the bridge. Vehicles and pedestrians traveling to and from Peirce Island should expect minor delays.
