APPLY NOW TO BECOME THE NEXT PORTSMOUTH POET LAUREATE! -- While Tammi Truax, the current and twelfth Portsmouth Poet Laureate (PPL) and the poet [whose work accented the city's experience during the pandemic](#) puts the finishing touches on her final project, the PPLP Board has begun the process of finding the thirteenth laureate. The mission of the Poet Laureate is to create and build community through poetry in the Seacoast area. The Laureateship is a two year-term during which the Poet Laureate and the PPLP Board work in conjunction to develop and implement project(s) that will build and extend poetry throughout our cultural community. During their tenure, the Poet Laureate attends all monthly board meetings, receives an annual stipend, and reads at the first and last Poetry Hoot of the term. Excellence in poetry and the ability to be the **public face of poetry** in Portsmouth and **build community through poetry** are the most important criteria for a Poet Laureate.

In addition to being willing to take on the responsibilities of the laureateship, a nominee must live in one of the eligible towns: Portsmouth, Eliot, Greenland, Kittery, New Castle, Newington or Rye. PPLP Board members are ineligible until 12 months have passed since leaving office.

Nominations should include the full name of nominee and current contact information and briefly describe why the nominee would be a good choice to be the public face of poetry in Portsmouth. Send nominations by February 20, 2022 via email to the PPLP Board at: nhpplp@gmail.com

PROOF-OF-VACCINATIONS: What should you do if you discover your vaccination is not recorded properly in the NH DHHS database? Or if you need more than your vaccination card because some travel destinations require the full record? Contact NHIIS (NH Immunization Information System) at 603-271-4028, by email at nhiis.support@dhhs.nh.gov or click here for the NH DHHS website <https://tinyurl.com/rva3tphc> for the immunization information system (NHIIS). On this site, select the correction forms for your PCP to verify your vaccine card, DOB, etc. You will need to get the form notarized and before sending it back to NHIIS. Once your record is corrected, you can request an official vaccine and immunization record. This record is the one that would be accepted when travelling if the vaccine card is not enough. For more answers to Frequently Asked Questions, [click here.](#)

I LOST MY PROOF-OF-VACCINATION CARD. NOW WHAT? All vaccination records are kept on file in the CDC National Health Interview Survey (NHIS) system. NH DHHS advises that you can replace a lost vaccination card in either of two ways:

1. Download and complete the vaccination card replacement request form here: <https://tinyurl.com/4pj4chcz> Note that the

completed form MUST BE NOTARIZED before sending it back to NH DHHS.

2. If your healthcare provider has access to the NHIIS, ask him/her to print out the record directly from NHIIS.
