**PROOF-OF-VACCINATIONS: What should you do if you discover your vaccination is not recorded properly in the NH DHHS database? Or if you need more than your vaccination card because some travel destinations require the full record?** Contact NHIIS (NH Immunization

Information System) at 603-271-4028, by email at [nhiis.support@dhhs.nh.gov](mailto:nhiis.support@dhhs.nh.gov) or click here for the NH DHHS website <https://tinyurl.com/rva3tphc> for the immunization information system (NHIIS). Once your record is corrected, you can request an official vaccine and immunization record. For more answers to Frequently Asked Questions, [click here](#).

**I LOST MY PROOF-OF-VACCINATION CARD. NOW WHAT?** All vaccination records are kept on file in the CDC National Health Interview Survey (NHIS) system. NH DHHS advises that you can replace a lost vaccination card in either of two ways:

1. Download and complete the vaccination card replacement request form here: <https://tinyurl.com/4pj4chcz> Note that the completed form **MUST BE NOTARIZED** before sending it back to NH DHHS.
2. If your healthcare provider has access to the NHIIS, ask him/her to print out the record directly from NHIIS.
3. **A NOTE ON COMMERCIAL TESTING CHARGES – If a commercial urgent care center says that COVID tests are not going to be covered by insurance, NH DHHS advises that **patients may request the urgent care center submit a bill to the carrier under the code Z20.828.**** This covers suspected exposure to viral communicable disease. Their advice is based on this CDC guidance: "If the provider documents 'suspected,' 'possible,' 'probable,' or 'inconclusive' COVID-19, do not assign code U07.1. Assign a code(s) explaining the reason for encounter (such as fever) or Z20.828, Contact with and (suspected) exposure to other viral communicable diseases." **Private health insurers are now required to cover up to eight home COVID-19 tests per month for people on their plans.** Under the new policy, Americans are able to either purchase home testing kits for free under their insurance or submit receipts for the tests for reimbursement, up to the monthly per-person limit.
