NEW COVID-19 BOOSTER INFORMATION
Find locations offering the new booster by going to the interactive map at [vaccines.gov](https://www.vaccines.gov)
NH DHHS advises that everyone over 12 who completed the primary series vaccination 3 months ago or more should receive the new bivalent boosters. By receiving the booster (and this year's flu vaccine) you may help blunt the expected winter surge and

demand on healthcare providers. The boosters are based on clinical research with the BA.1 bivalent vaccine, conducted in humans and were found to provide increased protection against severe disease and broader protection against existing and anticipated variants.

CURRENT CDC GUIDANCE ON COVID-19

- Stresses the importance of being up to date with vaccination to protect against serious illness, hospitalization and death.
- Recommends against quarantine for anyone exposed to COVID-19. Instead: wear a high-quality mask for 10 days and get tested on day 5.
- Recommends those who have, or suspect they have, COVID-19: stay home for at least 5 days, isolate in your household and wear a mask when around others (through day 10 if you tested positive). You may end isolation when:
 - If tested, you receive a negative test result and
 - If after 5 days you are fever-free for 24 hours without the use of medication, and your symptoms are improving, or you never had symptoms,
 - If you have contact with people who are more likely to get very sick from COVID-19 that you isolate from them until at least day 11.
- Recommends those who experience moderate illness (shortness of breath or had difficulty breathing) should isolate through day 10.
- Recommends those who had severe illness or have a weakened immune system should consult a doctor before ending isolation.
- Recommends that if symptoms worsen after ending isolation, start another 5 days of isolation.
- Discontinues screening tests for asymptomatic people without known exposures

TRAVELING? KNOW BEFORE YOU GO WITH CDC TOOL FOR ASSESSING COMMUNITY RISK (ROCKINGHAM COUNTY LISTED AS “LOW”) -- CDC recommends using its online COVID-19 tracker: <https://tinyurl.com/57p5j3ba>

based on hospital beds being used, hospital admissions, and the total number of new COVID-19 cases in an area.

U.S. Drought Monitor
New Hampshire

August 16, 2022
(Revised: Thursday, Aug 16, 2022
10:00 a.m. EDT)

PORTSMOUTH WATER SUPPLY UPDATE -- As of September 6, the U.S. Drought Monitor for the state of New Hampshire continues to report "severe drought" conditions <https://www.drought.gov/states/new-hampshire> around the Seacoast region of New Hampshire. While the drought report prompted other communities to put watering restrictions in place, **the City of Portsmouth and Pease Drinking Water Systems ask water customers to be as efficient as possible when using our precious water resources. NOTE: Portsmouth Water System customers in RYE must comply with that town's watering restrictions.** City Water operations staff continue to track and update conditions. ENERGY EFFICIENCY TIPS AND PAYMENT HELP – On **Aug 1**, New Hampshire electric supply rates increased to more than double last August's supply rate. This significant rate increase is due to record-high natural gas prices and the global economy. Natural gas is the primary fuel for generating electricity in the region. **Help is available for customers who need it.** Regardless of financial need, customers are eligible for various payment programs and are urged to call Eversource at 844-273-7760 or visit Eversource.com/billhelp to find the

right plan for them. To learn about the many energy saving programs available, visit [Eversource.com](https://www.eversource.com).

HOMEOWNER ASSISTANCE -- In addition to the NH Emergency Rental Assistance Program, there is a program for NH homeowners who are struggling to pay their mortgage, property taxes and other home expenses, and utilities. For more information, go to: <https://homehelpnh.org/homeowners>

EMERGENCY RENTAL & UTILITIES ASSISTANCE – The [NH Emergency Rental Assistance Program](#) (NHERAP) provides funds to renters who cannot pay their rent and utilities during the pandemic. The program works with tenants and landlords. Program changes as of October 1, 2021:

- Households may qualify for assistance for past-due and future rent and utility payments for a period not to exceed 18 months.
- At least one person in the household must have qualified for unemployment benefits, had their income reduced, had significant costs, or had other financial hardship during the pandemic. Certain income requirements must be met.

WHAT THE PROGRAM COVERS

- Past-due rent including reasonable late and legal fees.
- Three months of future rent payments if needed for housing stability.
- Utilities, such as electricity, home heating costs, water, sewer, trash.
- Other housing-related costs such as internet and relocation expenses (including rental application fees, utility hook-up fees, and security deposits).
- Households may qualify for utility assistance even if they do not receive or need rental assistance.

For more information on whether you qualify and how to apply for emergency funds available to renters in NH, click here: <https://www.capnh.org/covid19>
The Consumer Financial Protection Bureau (CFPB) has also launched a tool (click here: <https://tinyurl.com/4hawaxf4>) that allows renters and landlords to find rental assistance programs in

their area. Applications are handled through NH Community Action Partnership (CAP).
